

## California-based Pertexa Partners with Karma Health Partners, LLC of Atlanta, Georgia

---

Pertexa Healthcare Technologies, Inc. is pleased to announce that it has agreed to partner with Karma Health Partners, LLC (KHP). KHP will provide Pertexa with specific consulting advice on many aspects of the IT sector of the U.S. healthcare market. KHP will also market and offer the full suite of Pertexa productivity tools to healthcare providers across the U.S.

Karma Health Partners ([www.karmahealthpartners.com](http://www.karmahealthpartners.com)) is a revenue generation and venture creation consulting firm focused on bringing new and innovative solutions to the healthcare market. KHP's senior executive team works with clients in defining sales, marketing, and business development strategies that help clients find new pathways to revenue, or to create more efficiency within existing pathways. The KHP team will not only provide strategic assistance to Pertexa, but as operators, KHP will deliver the tactical objectives defined in conjunction with Pertexa to develop new sales and revenue.

"I am pleased to provide Pertexa with our consulting expertise and help market both their unique software and hardware tools. Both companies share a vision that technology is the key factor in increasing company profitability. This partnership will allow Pertexa to focus on their rapidly growing client base in productivity software and medical robotics. This contract will increase our company's growth as we expand along with Pertexa" states Steve Carbonara, Managing Partner with Karma Health Partners.

Pertexa, Inc. is a next-generation medical technology company headquartered in Ridgecrest, California that creates and distributes advanced technology including R.I.T.A. (Robotic Intelligent Telemedicine Assistant) and Radekal, the nation's leading Physician's Productivity Tool. By combining both hardware and app development for worldwide medical use. Pertexa is an innovative brain trust that advances transformational technologies for an evolving healthcare environment.

"Pertexa has been seeking a top notch marketing advisor/partner based in the southeast for a number of years. I have known Steve for over 10 years and we both share the same strategic vision and focus on productivity software. Both companies apply advanced technology to enhance the productivity for the benefit of its clients." Kishor Joshi, CEO of Pertexa states.
